Dear Parents and Care Givers,

Thank you for considering Sacred Heart School, Mundaring to support your child /children's primary education.

Our school of about 200 students, commenced in 1952 and has a rich tradition linked to the two Orders of Sisters who were involved within our school; the Sisters of St Joseph of the Apparition and the Sisters of St Joseph of the Sacred Heart. Sacred Heart School creates a tripartite relationship with the families, school staff and our Parish, working together to form a strong community for the benefit of all our children.

We are steeped in Catholic traditions with Jesus as the master teacher. Everything that we implement reflects our core values of: Compassion, Courage, Forgiveness, Humility, Respect for Human Dignity and Service to Others. Education of the whole child is paramount and we offer a diverse range of opportunities for them to develop and enhance their knowledge and skills. We aim to help children grow through focussing on the religious, academic, social and emotional domains, thereby assisting them to grow into happy and well-adjusted adults of the future.

We hope the enclosed handbook will give you a brief overview of what we can do for you and your child at Sacred Heart School. For more detailed information, please visit our website at www.sacredheartps.wa.edu.au or call the school on 9295 1562.
