Thank you to all who attended our last P & F meeting. We were privileged to have Siobhan Allen from The Parents and Friends Federation come and talk to us about the Federation and their role in our Catholic schooling community. The Federation have been instrumental in actively promoting issues of funding and needs of Catholic Schools to various government bodies. In addition to this they represent parent bodies of Catholic schools and assist us with running our P&F association through support and liaison services. If you would like to know more about the P&F Federation you can visit their website www.pff.wa.edu.au. Our constitution requires us to vote annually as to whether we want to be a member of the Federation. This vote will happen at Helping Hands on Thursday 31st March.
