A big thank you to everyone who came along to the P&F meeting last Thursday morning. It was lovely to see so many parents come along and take an interest in the work that the P&F is doing. We passed some funds to maintain the veggie garden that the P&F purchased a few years ago. Also the reading resources that the P&F purchased for the school have arrived and are already being used in the classrooms. Helping Hands is doing a lot of preparation for the art exhibition - thank you to everyone who has been coming along, we can always use a few extra hands!

The P&F are going to have a few stalls and activities at the SHS markets in November. If anyone is able to help out please let me know as soon as possible and we can get together and discuss ideas. Year 6 are organising a book stall so why not clear out your bookshelf and see what you can donate?

The athletics carnival is nearly upon us and we are looking for volunteers to help prepare lunches. The P&F is co-ordinating the lunches as a service for the parents, not as a fundraiser. If we can get enough helpers then it minimises the amount of time we have to spend in the canteen away from the action on the field. Please contact me if you’re able to spare even 20 minutes on the day.
