Feast of Saint Mary MacKillop 8 August 2023

Mary MacKillop,
woman of faith, woman of the poor,
teacher and educator, pilgrim on the way,
woman of the cross, woman of community,
woman of the gospel, woman expanding boundaries,
woman of charism.
Pray with us.

From the Principal

FEAST OF MARY of the CROSS

Yesterday the school joined the Parish in celebrating the Feast of Mary MacKillop at Mass. Mary MacKillop holds an important place in our hearts here at Sacred Heart because her order of sisters stepped in to carry on the work begun by the Sisters of the Apparition. And, of course, being Australia's first home grown saint is a good reason to celebrate her feast. Fr John spoke that she is a contemporary witness to how we should live like Jesus. A perfect Christian role model.

Next week we will celebrate the Assumption of Mary with the Parish on Wednesday due to the Pupil Free Day falling on the actual feast day.

KIDS CLUEDUNNIT SUCCESS

As reported earlier, our Sacred Heart Sleuths were runner up in this year's Kids Cluedunnit Competition organised by the Law Society. Their fantastic effort and success were rewarded last Thursday when three of the team (two were unfortunately unwell and were acknowledged at today's assembly) received personal and school acknowledgement for their achievement. Each student received a certificate, medallion and commemorative ruler.

The team on behalf of the school received a plaque to be displayed in the school office and a gift voucher worth \$150 from Westbooks. The team will select books to that value for our school library.

Once again, congratulations to our little *Law & Order* team and a special thanks to Anakah who was the spokesperson at the awards ceremony. Thank you to their parents who ensured they could attend on the day. You should be very proud of your child's accomplishment.

YEAR ONE ASSEMBLY

Congratulations to Year One on their terrific performance of the classic song *Walk the Dinosaur* where they “dinosaur-danced” across the stage. One is never too young to learn about dinosaurs and they certainly bombarded us with many interesting facts about these mighty beasts from their report writing. Well done Year One!

CATHOLIC DAY and PUPIL FREE DAY

A reminder that next week will be a shortened week with our Catholic Day on Monday and a Pupil Free Day on Tuesday. Teachers will be revisiting the teaching of spelling with the CEWA Literacy team.

FIRST COMMUNION

Six of our Year Four students will be celebrating their First Holy Communion on Saturday 19 August. We wish them all the best and keep them in our prayers for this most special and holy occasion.

SURVEY

Thank you to all of those who completed the Climate Survey that is undertaken every two years for the school. The information that is collected helps us make informed decisions about how we can improve our school with the overall aim being to build and maintain a positive school climate.

OPEN MORNING

Last Tuesday's Open Morning proved a success with several new families visiting the school and were quite impressed with the happy and peaceful atmosphere of the school. Hopefully they may join our school community in the near future. Even the incoming principal, Mr Mark Tenney, visited with his family to see their new school and they too were delighted with what they saw.

THE RELIGIOUS EDUCATION ASSESSMENT

Students in Years 3 and 5 completed the Religious Education Assessment last week. They are to be congratulated on making a sincere effort with their multiple choice and short written responses. Teachers will use the data to inform themselves of future teaching practices. Parents should receive the results in Term 4.

MORNING DROP OFF and AFTERNOON PICK UP

Parents are reminded again to adhere to the school recommendation for dropping your children off in the morning and picking them up in the afternoon. The safety of our students is everyone's responsibility.

Drop Off: The safest area to drop students off and collect them is at the pedestrian gate on Coolgardie Street. Please **do not use** the Administration car park as a drop-off area nor the staff carpark near the Early Child entrance. This area is for the purpose of staff parking and a turnaround point for drivers if their child/ren is using the Coolgardie Street gate.

Parking: Please use the lower carpark or the basketball courts at the back of the Early Learning Centre for parking. Other areas, including the front of the Early Learning Centre and the Administration area are allocated for staff to allow a smooth flow of traffic.

If you are driving around the school, please do slow down and be mindful of children walking in and around the school grounds.

A gate from the basketball court directly on to the ECE oval area is due to be installed.

Thank you for your cooperation.

BRINGING TOYS TO SCHOOL

Please refrain from allowing your children to bring toys and collectibles to school unless directed by their teacher (e.g., news, special day). Bringing these toys and collectible cards often leads to unnecessary disagreement or misunderstandings among the students. Although you feel there may be a legitimate reason for bringing these in, it often ends up in disappointments and disputes. Again, thank you for your cooperation.

SCHOOL FEES

Term 3 School Fee Statements were emailed out to families on Thursday 27 July. **Families on the Option 2 Payment Plan (per term) with payment via BPay, Cash or EFTPOS, your Term 3 instalment is now due (Friday 28 July 2023).**
