MUNDARING

KINDERGARTEN

Our school's success, centred in Jesus is based on our shared belief that it takes a community to raise unique individuals; empowering dignity, positive partnership responsibility and a desire for excellence.

SACRED HEART SCHOOL KINDERGARTEN

Our Kindy follows the Early Years Learning Framework (EYLF) principles, practice, and outcomes. Essentially, this is a framework that supports and enhances young children's learning. It has a strong emphasis on play-based learning, as play is the best motivator for young children's learning. It provides the most suitable and appropriate stimulus for brain development. The framework also recognises the importance of communication and language as well as social and emotional development.

Fundamental to the EYLF is a view of children's lives as characterised by:

- **Belonging:** Your child will learn where and with who they belong, including family and cultural groups, giving them a sense of who they are.
- **Being:** Your child will have the opportunity to be in the present; not worrying about the past or future. Childhood is a time to be, to seek, and make meaning of the here and now.
- **Becoming:** Your child will learn and grow through many different experiences. They are shaping their identity, knowledge, understanding, skills, and relationships.
