THREE YEAR OLD KINDERGARTEN

At Sacred Heart, we understand starting school is an important milestone for your child, and your family. The Kindergarten learning environment will focus on creating a safe and nurturing environment where your child is comfortable to learn and grow. Learning in the early years is through play.

Kindergarten is a time when your child enters the social world beyond their family, growing in the personal, social, physical, spiritual and cognitive domains.

Sessions

Three Year Old Kindergarten sessions are held on a **Monday from 8:50am to 3:00pm.** Doors open at 8.30am.
